FLOOR DRAINS

Version 7.1

FEBRUARY 2022

INTRODUCTION

Luxury, efficiency, and exclusivity are synonymous with the ever-growing vogue of the ISI and ISO (9001:2015) accredited, Lipka. A well-known brand in the realm of bathroom and kitchen fittings, LIPKA has undoubtedly achieved a superior position in the industry, promising to be the one-stop solution to all the lifestyle essentials.

Born as a vision to a dynamic entrepreneur, Lipka is an Indian company based in New Delhi and has spread its presence in the markets of over 1000 cities. It started as a modest SSI unit and went out to grow into a large deferential family with a range of over 4000 products being sold by 5000 dealers across the country. Team LIPKA comprises over 300 plus committed members who aim to bring to their customers, convenience and elegance – all at once! The team works vigorously and ensures compatibility with the diverse choices of its consumers with over 3000 products. Team LIPKA remains on its toes throughout the year to introduce new products and modify the existing ones with creative add-ons, keeping in mind the ever changing needs of the consumers. Now more than a decade old, LIPKA stands at the apex on the list of the most-selling floor drains and has gained substantial momentum with respect to its other remarkably designed products such as its practical kitchen sinks, stylish faucets/taps, sturdy PTMT fixtures, and so on. The 100% indigenously manufactured products of Lipka, have the most extensive range of designs in the country for bathroom fittings, kitchen fixtures, and other utility requirements. LIPKA's core values echo customers' need for quality, creativity, functionality, and brilliance. It is not only the fastest growing online brand in the country but also aspires to be the best multinational brand for bathroom and kitchen fittings that reflect sophisticated, hygienic, and green living.

LIPKA - FLOOR DRAINS

LIPKA leads the market with its most-selling floor drains that have a sleek and minimalistic appearance to complement your lifestyle! Manufactured in AISI 304 grade stainless steel and Premium Stainless Steel, these floor drains indisputably display anti-corrosion and rust-resistant qualities making them long-lasting. To meet the needs of modern lifestyles, our 100% made-in-India floor drains are designed with cutting-edge craftsmanship and practical features. LIPKA offers a variety of sizes, styles, and variations according to the consumers' requirements. Equipped with voluminous drainage technology for extremely high drainage capacity, we offer a wide range of options in floor drains with inventive add-ons like Drain Jali's with rotating locks and hinges to avoid misplacing the drain covers, lids, and cockroach traps to prevent pests and foul gases/smell to enter the bathroom, plain classic Jail's to prevent waste from clogging the drain pipes, holes in drain Jali's to enable easy attachment of waste pipes, and so on. These highly-functional products of LIPKA are the best floor drains available in the market. Apart from their highly-efficient features, Lipka's floor drains bring modern design and technology, such as Jali's and frames with curved or flat cut edges, together to create a feel of convenience in your bathrooms. These Floor drains are suitable for bathrooms, kitchens, laundry rooms, basement, washing areas, etc., and are easy to install and maintain. We acknowledge that floor drains play a significant role in enhancing the overall look of the bathroom; they are not only efficient in their functionality but also contribute to the modern bathroom/kitchen's practicality and aesthetics.

LIPKA GROUP OF COMPANIES, a leading brand in the Kitchen & Bath Fittings dominion, began its journey in 2009 with manufacturing floor drains and shower drain channels. Within 10 years, the company became a front-runner in the market through its most-selling, 100% indigenously manufactured floor drains with over 1000 plus remarkable designs and sizes. The Company was the first Indian brand that manufactured shower drain channels and made them accessible to not only the luxurious segments but also to the regular households.

KAPIL GUPTA
(FOUNDER, LIPKA GROUP OF CO.)

Needless to say, the massive visualization of the Company took its shape by spreading its manufacturing bustle onto major product verticals like Kitchen Sinks, Faucets, PTMT Products, Overhead Showers, Bathroom Accessories, and other associated equipment. As a consequence of its hard work, inventions, and patronage from its cultivated consumers, the Company has since made and sold millions of products and grown stronger in the market.

Every product, concept, and design by LIPKA is inspired by the burgeoning desire for style and aesthetic appeal among Consumers in India. With over 7 manufacturing units and warehouses spread across a whopping 70,000 sq. ft. in New Delhi, the Company produces merchandise from scratch, thereby upholding the dream of 'Make in India'. LIPKA has over 5000 stock-keeping units (SKU) that move forward with a tall promise of dispatching orders within 24 hours.

The Company, by judiciously utilizing two of its most essential assets; the LIPKA brand and an extraordinary distribution network, is expanding its product portfolio to meet the escalating requirements of diverse Indian customers. It has set its sights on each of these criteria, embracing new manufacturing processes to improve the quality of its products, whether it's innovation, technology, research, style, or craftsmanship. The design combines originality and exclusivity courtesy of our team's ingenuity and creative abilities. By duly considering the importance of sustainability in the present climatic scenario, the Company promotes green manufacturing through state-of-the-art automatic machinery and provides eco-friendly packaging for its products.

LIPKA, today takes pride in being the first company that educated the Indian populace about healthy living while emphasizing the essentiality of 304-Grade Stainless Steel, the operational details of a cockroach trap, the importance of installing an appropriate floor drain concerning the functionality and décor of the space, and so on. Apart from this, the Company also maintains its focus on spreading information about the features and utility of basic devices installed in homes that are usually overlooked like – kitchen sink couplings, handmade kitchen sinks, faucet aerators, basin mixers, etc. The company endeavors to communicate rudimentary information about the elementary household and lifestyle needs concerning bathroom and kitchen fixtures internationally.
