Quality Offerings

With Sleek, you can be rest assured about the quality and precision of your kitchens and wardrobes. We have studied modular systems for over 30 years and our focus to each and every minute detail of your kitchen and wardrobe is a testament to our expertise.

SS 304 Hinge

We use SS304 hinges in all our kitchens and wardrobes to offer highest resistance to moisture and corrosion

Best-in-class Laminate Pasting

We paste our laminates on shutters and cabinets using Henkel D3 Glue from Germany - providing excellent moisture resistance for higher life of finished product

Scilm Legs

All our kitchens stand on top of Italian imported scilm legs with a weight bearing capacity of 400kg and the unique ability to adjust leg length after carcass installation to ensure the perfect horizontal platform surface

In House Quality Check

Each batch of ISI 303 BWR Ply at the Sleek factory passes through a 8 hour boiling water test.

Green Guard Certification

Our products are green guard certified, thereby protecting your family against harmful emissions and keeping the kitchen air clean.

10 Years Warranty against manufacturing defects

Sleek modular solutions come with 10 year warranty against manufacturing defects.
